THE JOY OF LOVE

The following is a series of comments and excerpts from the Apostolic Exhortation *Amoris Laetitia*. The Introductory chapter sets forth the principles that Pope Francis enunciates with respect to the formulation of this document. [Remember this exhortation is the fruit of Synod of Bishops that Pope Francis convenes under the consideration of the Family]. In Paragraph 3 he writes about the need to interpret church teaching: Each country or region, moreover, can seek solutions better suited to its culture and sensitive to its traditions and local needs. For "cultures are in fact quite diverse and every general principle... needs to be enculturated, if it is to be respected and applied."

SOBRE EL AMOR EN LA FAMILIA

Cada semana quiero citar y comentar sobre este Exhortación Apostólica del Papa Francisco. El capítulo introductorio presenta los principios por lo cual, El Papa Francisco ha empleado en la formación de este documento. [Recuerda que esta Exhortación es el fruto del Sínodo de los Obispos que el Papa convocó sobre la pastoral de la Familia.] En el Párrafo núm. 3 el escribe sobre la necesidad para interpretar las enseñanzas de la iglesia: Además, en cada país o región se pueden buscar soluciones más inculturadas, atentas a las tradiciones y a los desafíos locales, porque «las culturas son muy diferentes entre sí y todo principio general [...] necesita ser inculturado si quiere ser observado y aplicado»[3].
