THE JOY OF LOVE

The following is a series of comments and excerpts from the Apostolic Exhortation *Amoris Laetitia*. Chapter one of the document proceeds to examine the scriptural roots for the reflection on the family: The Bible “is full of families, births, love stories and family crises” (AL 8). This impels us to meditate on how the family is not an abstract ideal but rather like a practical “trade” (AL 16), which is carried out with tenderness (AL 28), but which has also been confronted with sin from the beginning, when the relationship of love turned into domination (cf. AL 19). Hence, the Word of God “is not a series of abstract ideas but rather a source of comfort and companionship for every family that experiences difficulties or suffering. For it shows them the goal of their journey...” (AL 22).

SOBRE EL AMOR EN LA FAMILIA

Cada semana quiero citar y comentar sobre este Exhortación Apostólica del Papa Francisco. El capítulo uno se enfoca en la Biblia para un entendimiento de la familia. La Biblia “está poblada de familias, de generaciones, de historias de amor y de crisis familiares” (AL 8) y a partir de este dato se puede meditar cómo la familia no es un ideal abstracto sino un “trabajo ‘artesanal’” (AL 16) que se expresa con ternura (AL 28) pero que se ha confrontado también con el pecado desde el inicio, cuando la relación de amor se transforma en dominio (cfr. AL 19). Entonces la Palabra de Dios “no se muestra como un secuencia de tesis abstractas, sino como una compañera de viaje también para las familias que están en crisis o en medio de algún dolor, y les muestra la meta del camino” (AL 22).
